

# St. Anne News

March 2, 2010

Dear Parents,

We are now in the second week of Lent. Our students continue on their personal journey: "Be not afraid to be the change you wish in the world". They also continue to fill their individual rice bowls that are in each of the classrooms. Just a reminder that the school Lenten Calendar shows Wednesday, March third as "Clean your Room Day". Let's see how many students remember!

Next Tuesday, March 9<sup>th</sup> we will be hosting our annual Science Fair. Projects will be on display in Banchemo Hall during the day as well as 7:00 pm in the evening. Please stop by and see the creative projects our students have created.

Good news! There is now a 30 minute load and unload space on Lee St. If you are facing the church, the first parking spot to the left of the handicapped parking is available for short-term use. This will be particularly handy for those parents who need to pick up a sick child.

Parents, please remember to use the crosswalks both in front of the school and on the playground and to wait for the crossing guards to cross you. Your example teaches students much more than we ever could with words. Thank you for your help in continuing to assure the safety of our students.

Have a good week!

Sincerely,

Patricia A. Durand

Hello St. Anne Parents,

Some of you may not have received our email about the new St. Anne school mini-directory. We are so excited this year to create a mini-directory as part of the Mamma Mia auction! This directory will be similar to our school directory, but small enough in size to easily carry with you. The directories will include the addresses, email addresses as well as home and cell phone numbers for all the families at our school. The directories will also include contact information on the incoming pre-k and kindergarten families.

The directories will be sold for \$10 each and will be distributed the last week of April 2010. If you would like to participate in the directory, please fill in the following information for your family. By filling in this information, you are authorizing the publication of this information in the mini directory. The money raised from this will go towards the operating budget of the school and the grand total raised for the 2010 auction.

Please indicate how many directories, you would like to order:

\_\_\_\_ Number of directories (the directories will be sent home in the purple packet)

If you would like to purchase the directory, please indicate how you would like to pay for the directory:

\_\_\_\_ Please, bill my bid number at the Mamma Mia auction this spring

If you do not want to be listed in the directory, please indicate below:
