TOTAL HOURS THIS REPORT

Each K – 8 family is expected to complete 30 hours of service to the school or the parish. Single-parent families must each complete 15 service hours if both parents actively participate in the school life of their child(ren).

Of these hours, six (6) must be spent working on the Auction. It is important that you return your completed forms by the date they are due.

In lieu of service hours, the cash equivalent for regular service hours is \$10 per hour and \$25 per hour for Auction hours. The total cash equivalent is \$390 per family or \$240 per single parent.

*I will be unable to fulfill the required service hours for this year. I am electing to make a payment of \$25.00 for auction/raffle hours and \$10.00 for all other hours.*
